Dear Rahul,

Thank you for applying to the [Young Fellows Program](#) at the 60th [Design Automation Conference](#). This is a quick note to inform you that we successfully received your application on 3/13/2023 16:47:36. We'll do our best to process your application as soon as possible.

We are excited to announce that we received a record number of 334 DAC Fellow applications before the closing date of March 17th. As a result of this high level of interest we are seeking additional corporate sponsorships to increase the number of travel grants available through the program. We'd like to support as many deserving candidates as possible and will keep you updated on any developments in this regard.

Best regards,
